

Hosted by RAA (Riverhead Administrator's Association) – Register by Mail, Online, or Day-Of 5K

DONATION INFORMATION

Dear Patron,

On Sunday, May 21, 2017, the Riverhead Administrator's Association is hosting a 5K run/walk in memoriam and honor of loved ones from the community who are no longer with us. This event will not only celebrate the memories of loved ones lost, but will bring healing, love and support for all families, faculty and community members. The Riverhead Administrator's Association is in the process of **collecting donations for our Run to Remember event**. We are looking for corporations, local businesses and community members to donate one or a few of the items that we will need to make our event a success. By donating items, you will help us meet our goal of celebrating those lost and provide funding for the Senior Class scholarships. Any and all donations would be greatly appreciated; please use the attached donation form. We ask that all donations be dropped off at 7:00 am, the morning of the event in Riverhead High School's Gymnasium. See the donation form for more information. If you would like more information on corporate sponsorship opportunities, please see our website.
